Sir:

**COMMENTS ON STATEMENT FOR REASONS FOR ALLOWANCE**

Applicant is appreciative of the Notice of Allowance papers dated February 27, 2006. Applicant offers the following comments regarding these documents.

In the Reasons for Allowance, the Examiner indicated that the prior art fails to anticipate or render obvious the invention presented in claims 1-7, and subsequently paraphrased, to a substantial extent, the features recited in claims 1-3. Applicant respectfully notes that the invention is defined by all of the allowed claims, which stand upon their own recitations, and limitations should not be imputed to any of the claims based upon the statement of Reasons for Allowance. Moreover, Applicant respectfully reserves his right to argue alternative interpretations and additional patentable distinctions of the claimed invention over any alleged prior art, should that need ever arise.

If the Examiner has any questions concerning this application, the Examiner is requested to contact Michael K. Mutter (Reg. No. 29,680) at the telephone number of (703) 205-8000.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,
